How to ride freeB

The freeB Commuter provides morning and evening service to and from the Princeton Rail Station.

- Most freeB bus stops are marked with a "B" sign; however the bus will stop at NJ TRANSIT bus stops and anywhere along the route for passengers where it is safe to do so.
- Scheduled timepoints are listed on this schedule. If you are between two timepoints, use the earlier timepoint to estimate the arrival time of the bus.
- There are two freeB bus stops at Princeton Shopping Center – Rite Aid and McCaffreys. Passengers parking at the shopping center are asked to park at the south end of the parking lot across from the stores.
