How To Use This Schedule

1. Refer to either the Weekday or Saturday schedule for bus times.
2. Use the schedule that matches the direction you are traveling (i.e. Southbound - East Windsor to MCCC) for bus times.
3. Numbered timepoints on the top of the schedule match the numbered timepoints on the map. Not all of the bus stops (listed on this schedule) are timepoints. If your stop is between two timepoints, use the earlier timepoint as a guide to when the bus will arrive.
4. Read across the timetable to find the location where you want to get off the bus. Read down the schedule to find the time the bus will get there.
5. To find out what time you need to be at the bus stop to board, follow the time back across the schedule to where you are getting on. That is the time the bus is expected to be there.
