## December is Impaired Driving Prevention Month

From December 16<sup>th</sup> to January 1<sup>st</sup>, National Highway Traffic Safety Administration (NHTSA) will run the *Drive Sober or Get Pulled Over Campaign* to raise awareness and prevent drunk driving. Every year during the winter holidays there is an increase in the number of drunk-driving crashes and according to the National Highway Traffic Safety Administration, 32,719 people were killed in motor vehicle traffic crashes in 2013, and 10,076 of those fatalities occurred in drunk-driving-related crashes. The most dangerous times are

nights and weekends.

The best thing to do is have a plan in place, have a designated driver if you plan to drink, call a cab or try NHTSA's SaferRide mobile app, which allows users to call a taxi or a friend by identifying their location so they can be picked up. The app is available at <http://ow.ly/RWs3S> for Android and <http://ow.ly/RWs8h> for iPhone users.
