

# Greater Mercer TMA's 6th Annual Safe Routes to School Bookmark Design Contest

Calling all artists & writers in Grades 3-5!

**Directions:** Keeping the Earth healthy and clean is important for all of us! We all can make a difference with sustainable actions, things we do that keep the Earth's natural resources clean and available for the future.

Greater Mercer TMA is looking for your ideas to save the planet while walking or biking to school, which by itself is a first step to a sustainable future. After all, walking and biking are no pollution solutions for getting around.

Create your own Superhero! What does a Sustainability Superhero look like to you? What powers or gadgets would your Sustainability Superhero have to make your neighborhood cleaner and friendlier?

Draw your superhero and how they help to save the earth. Include on your bookmark, "My superhero helps the earth by \_\_\_\_\_"

The winning designs (two from each county) will be printed, artwork on front, and distributed to schools and local libraries in Mercer and Ocean Counties.
