# CLEAN AIR OUT THERE

Meet Wally Walker! His healthy habits help keep the air clean. Color him in and help him walk to school, the library, and the playground by tracing the dots.

# CLEAN AIR OUT THERE

Cross out things that cause bad air or air pollution below. Circle the things that help keep clean air out there!

The air is invisible because it is made up of pieces so small, that we cannot see them. Sometimes the air is clean, and sometimes it is dirty. When the air is dirty, it is called pollution.

THE  
**SOLUTION**  
IS **LESS**  
**POLLUTION**

WE NEED TO DO OUR PART  
TO TAKE CARE OF THE  
EARTH AND KEEP CLEAN AIR  
OUT THERE!

## DRAW AND COLOR

Taking the bus creates less pollution than riding a car. It helps keep the air clean!  
Color in the bus and draw people riding on the bus.
