BIKES ON THE BUS

It's easy to take your bicycle with you on the bus or train. Greater Mercer TMA also provides bike lockers at NJ TRANSIT Hamilton and Princeton Junction stations.

On the Bus

When you bring your bike with you on the bus, just use the racks on the front! Bikes must be stored underneath in some buses. Remember these tips for loading and unloading your bike:

- **Have your bike ready when the bus approaches.** When it arrives, tell the operator you are going to use the rack. Load and unload from the curb side of the bus.
- **Pull the bike rack down with one hand and lift the bike onto it with the other.** The rack has slots labeled "front" and "back" for the tires. Raise and release the support arm so it rests on the front tire.
- **When you get off, tell the driver you are unloading your bike.** Remove the support bar, unload your bike and fold the rack back up if no one else is using it.
