

Introduction

Why the Guide?

Whether you want to ride the bus, train, or explore the numerous other transportation options available to you, this guide has the answers.

Take a look and learn the simple ins and outs of staying mobile in Ocean County.

Stress-free personal mobility

In addition to transit, Ocean County has a host of other options designed to make personal mobility both simple and stress-free.

Safe, reliable service for all

Public transportation helps families and individuals access commercial places, healthcare, social services, jobs, educational opportunities, and interact with their communities. This guide also includes options for individuals with disabilities or senior citizens that need to access transportation in a safe and reliable way.

We're Here to Assist You

Greater Mercer Transportation Management Association (**GMTMA**) is your local TMA. We are a non-profit, dedicated to providing and promoting transportation choices that improve mobility in Ocean and Mercer County. Contact us at **(609) 452-1491** with questions on information in this guide or any other transportation needs.
